Late Owner: H. C. Wan.New Owners: Yamashita K.K.

Port: KOBE.
(lately Tsingtao)

These four vessels, formerly Chinese, have recently
been transferred to Japanese Ownership.

The Society's Surveyors at Kobe now forward a copy of
a letter received from the new Owners, intimating that they do
not desire to maintain the classification of these vessels with
this Society. It is understood that they have been transferred
to the British Corporation and the ^{Kaiji} Taikoku Kyokai.

The cases received the consideration of the Classing
Committee on Friday, the 18th instant, when they decided to give
instructions for the class of each vessel to be withdrawn from

P.T.O.
