Recd. 4th July, 1938.  
Original with "INVERFORTH".

LEITH, 2nd July, 1938.

Dear Sir,

We enclose herewith a letter now received from the Owner of the steam trawlers "INVERFORTH" and "INVERCAULD", withdrawing these vessels from class.

In connection therewith we have to inform you that both of these vessels were placed in drydock this week, but the Owner made no attempt to carry out any of the overdue surveys. When we approached him on the matter, he evidently decided to withdraw the vessels from class.

Yours faithfully,

etc.....

The Secretary,

LONDON.
