John Wormald Esq.,  
Surveyor to Lloyd's Register,  
Singapore.

Dear Sir,

S/S "SEMIRAMIS".

With reference to your letter of the 2nd inst., we have the pleasure to inform you to have received telegraphic advice from our London office that they agree to our proposal to take the S/S "SEMIRAMIS" out of Lloyd's class.

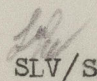

You will no doubt be advised by our London office of the foregoing at an early date.

We therefore do not consider it necessary that you or Mr. S.A.Anderson of Messrs. Ritchie & Bisset proceed to Pladjoe for carrying out the boilersurvey on abovementioned vessel.

I am, dear Sir,

Yours faithfully,

  
Marine Superintendent.
