QUESTION.

ANSWER.

I shall be glad if you ascertain and let me know what arrangements have been made in regard to the survey which became due last month on this vessel's screwshaft.

This is a small canal tug owned by The London Midland & Scottish Railway Co. and it has not been possible to ascertain anything definite as to when the vessel will be docked for the examination of the screwshaft. The Official in Glasgow who deals with this matter, however, has taken a note of it and has promised to advise when anything is decided.
