

Lloyd's Register of Shipping.

Ocean Chambers, Lowgate,

Hull, 4th January, 1945.

With reference to your letter of the 4th December regarding the case of the Steam Trawler "SARGON", we beg to acquaint you that this vessel has now proceeded to Ellesmere Port where the Special Survey will be carried out.

Nothing has been done at this port towards the Special Survey, the work on the vessel being confined to stripping of Admiralty fittings.

In the circumstances it is not proposed to report the case from this office and we shall be glad if you will be good enough to delete the entry in our list of vessels under survey of the 22nd December, 1944.

We are, Dear Sir,
Yours faithfully,
The Surveyors.

Per:-

The Secretary,
WOLINGHAM.

P.S. The Liverpool Office has been advised.
