

REPORT on the

S. S. "Honolulu Maru"

It is submitted the Koku Surveyors be informed that it is noted from their Report of Survey No. 6188 dated the 20/4/28. the summer freeboard as verified is given as 6-0 instead of 6-10<sup>1</sup>/<sub>2</sub> <sup>as assumed</sup> and it is assumed this is a clerical error, but the Surveyors should confirm this.
