No. 9 OURA, (KAIGAN-DORI),

NAGASAKI, 14th May, 1927.

T.

The Secretary,

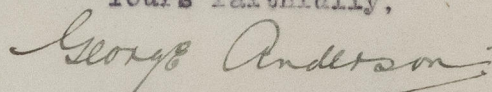

LONDON.

Dear Sir,

With reference to your letter of the 22nd ulto, regarding the survey fees for the new motor vessel "CHOJO MARU", I have to state that the total fees are as stated in A/c 4, dated 31st March 1927, namely ¥ 5349.75 and regret that the fee for Donkey Boiler was inadvertently inserted on the Boiler report form in addition to the Machinery report form.

I am, Dear Sir,

Yours faithfully,

Surveyor to Lloyd's Register.
