Norra Hamngatan 6,

Gothenburg, 16th July, 1936.

RECEIVED  
17 JUL 1936  
ANNA 74  
LONDON

13th July, 1936.

The Secretary,

LONDON.

Dear Sir,

I beg to acquaint you that we have to-day forwarded you for consideration, under separate cover, a plan in duplicate, showing "Pillars and deckgirders" of the s.s. "FRATERNITAS".

For your reference I beg to enclose a plan of "Position of Hartmann apparatus" in the after boiler space" and "Position of boiler in the forward boiler space".

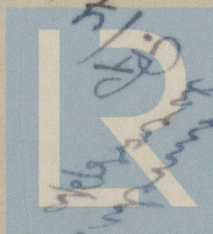

At the request of the Builders we shall be glad if you will kindly return one copy of the plan at your earliest convenience.

I am, Dear Sir,

Yours faithfully,

*S. Townsend*

The Surveyors,  
GOTHENBURG.
