LLOYD'S REGISTER  
17 JUN 1936  
ASSD. 24  
LONDON

reference

M.

The Secretary,

LONDON.

Dear Sir,

Referring to your letter of the 5th instant respecting the alterations now being carried out on the steamer "FRATERNITAS", I beg to acquaint you that the recommended strengthenings as indicated on the plan will be effected and a detail plan of the proposed pillars and girders will shortly be submitted for approval, together with particulars of the load to be carried.

As the Owners desire to have a minimum freeboard assigned for this vessel I shall be glad to be informed of the extra strengthenings to the hull which will be required, also of the minimum freeboard which could be assigned.

I am, Dear Sir,

Yours faithfully,

*V. Bailow*
