ENCLOSURES.

7th August, 1935.

Dear Sir,

With reference to the classification in the Society's Register Book of the steamer "FRATERNITAS", I beg to remind you that the year of grace allowed for the completion of the Special Survey No.1 expired at the end of last month but the survey has not yet been held, the vessel having been laid up.

The Committee have had the case of this vessel before them at their meeting today together with a letter from the Oslo Surveyors intimating that the vessel is still laid up, and in the circumstances I have to say that the Committee will be agreeable to her class in the Register Book remaining undisturbed for the present whilst she is laid up, subject to the conditions set forth on the enclosed form of undertaking, which I shall be glad if you will kindly sign and return to this Office in due course.

A duplicate copy of the form is also enclosed for your files.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.

A.P. Moller, Esq.,
