ANS^d

Dear Sir,

Enclosed we beg to forward plans in triplicate of 16 press boilers with covers for the steamer "SIR JAMES CLARK ROSS" ex "MAHRON-DA". This vessel is now lying at Framnæs mek. Verksted, Sandefjord, being converted into a whale oil factory. The shipyard state, that they have received the materials for the press boilers and they therefore respectfully request to have the end plates approved as for the steamer "BASS 2" see your letter of the 8th instant.

We should be glad to receive the plans in approved condition as soon as possible

We are, Dear Sir,

Yours faithfully
