2 Enclosures.

18th May, 1923.

Dear Sirs,

I return herewith two copies of the plan, forwarded with Mr. Roli's letter of the 14th instant, showing the additional stiffening proposed to be fitted to the existing transverse bulkheads also the scantlings of the new intermediate lower deck beams of the S.S. "SIR JAMES CLARK ROSS" ex "MAHRONDA" in connexion with the conversion of the vessel for the carriage of whale oil in bulk, and with regard thereto I have to state that provided the arrangements be carried out as shown and amended on the plan and the bulkheads be tested to your satisfaction, the same will be approved.

The duplicate plan is being retained in this Office for reference.

I am, Dear Sirs,

Yours faithfully,

The Surveyers,  
CHRISTIANIA.

Assistant to the Secretary.
