Dear Mr. Scott,

With further reference to my letter of the 25th instant I am informed that the Steamer "DAH LOH" has been seized by the Military and has been handed to the Daido Kaiun Kab. Kaisha to be operated. In the meantime, her name, nationality, and other particulars are not being changed.

She is at present in dry dock in this district, and we have pointed out to Messrs. Daido Kaiun that the Second Special Survey No. 3 became due in December last and have asked them the position in regard to Classification Surveys. They replied that they are simply operating the vessel and that until her status is settled they are unable to give us any further information.

Yours faithfully,

H. Jasper Cox.
