Lloyd's Register of Shipping,

(ASHow)

71, Fenchurch Street, E.C. 3.

29th July, 1927.

Dear Sir,

S. I have to acquaint you that the vertical donkey boiler No.10047 constructed by Messrs.Cochran & Co., Annan, Ltd., and referred to in Glasgow report No. 45785 has now been fitted on board the new motor vessel "CHOKO MARU" built by the Osaka Iron Works, Ltd., at Osaka, and a first entry report having been received from the Society's Surveyors at Kobe, the vessel has to-day been classed ~~as~~ 100A1 with notations of ~~as~~ LMC 6,27; D.B.1001b., Lloyd's A & CP.

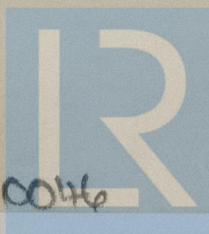

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

GLASGOW.
