KOBE, April 27th 1938.

The Secretary,
LONDON.

Dear Sir, s.s. "KYOKUSEI MARU" ex "SHUN HWA".

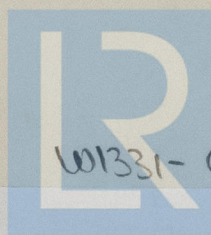

The above vessel has been registered under the Japanese Flag and classed with the Teikoku Kaiji Kyokai and I now enclose an extract of a letter from the Owners' Representatives in which they state that the Owners do not desire to continue her classification with the Society.

A new Freeboard Certificate has been issued by the Japanese Government but the freeboards themselves are the same as formerly assigned.

The Owners' Representatives have supplied the revised particulars for record in the Register Book as shewn on the attached statement.

I am, Dear Sir,

etc...
