3rd August 1920.

Dear Sirs,

With reference to your First Entry Report No. 810 on the Steamer "MARGARET GOUGHLAN", I shall be glad if you will state whether only the 'tween deck bulkhead at frame No. 44 has been dispensed with as in the case of the sister vessel, or the complete bulkhead. If the complete bulkhead has been dispensed with you should state whether the omission of this bulkhead and the intermediate bulkhead in the forward hold has been agreed to by the Owners.

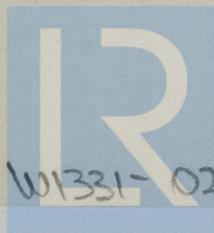

You should also state whether the deep tank has been constructed in accordance with an approved plan.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
VANCOUVER.
