Vancouver, B. C. Oct. 10, 1919.

Messrs.
Lloyd's Register of Shipping,
Yorkshire Building,
Vancouver, B. C.

Gentlemen:-

VESSELS #15 and #16.

We hereby request permission to omit the bulkheads #44, between #3 and #4 holds, and #120, between #2 and #3 holds, on the above vessels, and in lieu thereof to compensate by introducing web frames.

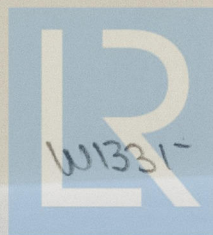

Our reason for this request is that by omitting these bulkheads the holds will be more suitable for the class of cargo and the trade in which we intend running these vessels.

Trusting this will meet with your approval, we are,

Yours truly,
J. COUGHLAN & SONS LTD.

SGD. JOHN LOCKHART,

General Manager.
