	s.s.No.2-34	

The Second Special Survey No.3 became due in July 1938, and the greater portion of this survey was held in October 1937.

The vessel was subsequently laid up, and the Helsingfors Surveyor now states he is informed the class has been transferred to the Norske Veritas.

The Classing Committee, who had the case before them on Friday, 28th ultimo, therefore gave instructions that the vessel's class be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

  
3rd May, 1939.
