The Boiler Survey became due on this  
vessel in December last year.

A letter has now been received from the  
Society's Principal Surveyor for the Far East, enclosing  
a translation of one received from Messrs. Nissan Kisen K.K.,  
intimating that this vessel has recently come into their  
possession, and that they have decided to withdraw her  
from the Society's classification.

The Classing Committee had the case before  
them on Tuesday, the 28th instant, when they decided to  
give instructions for the vessel's character to be withdrawn  
from the Society's Register Book and Three Dots (...)  
3,39  
inserted in lieu thereof, indicating withdrawal of class  
at Owners' request.
