Boiler Survey due 3,39.

These three trawlers are part of the Fleet belonging to the Standard Steam Fishing Co., Ltd. and Allied Companies, who in September last, intimated their decision to withdraw from classification their vessels as they became due for Special Survey.

Surveys became due on these vessels in March last, as shown above, and the Classing Committee, who had the cases before them on Friday, the 21st instant, decided to give instructions for the vessels' characters to be withdrawn from the Society's Register Book and Three Dots (...) inserted in lieu thereof in each case, intimating withdrawal of class at Owners' request.

27th April, 1939.
