J. S. CAIRNS,
SHIP AND ENGINEER SURVEYOR.
Communications to be addressed—
P.O. BOX 48, YOKOHAMA.

Dear Sir,

Reference

In reply to section of your letter dealing with S.S. "Tsurushima Maru" Report No. 2512, I beg to reply that frames in way of double bottom solid floors, and at intermediate brackets are as approved and as fitted in sister vessels, also that brackets were fitted in way of bulkheads and water tight doors were in efficient working condition.

The spare feed and bilge pump valves were upon investigation found to have been placed on board.

Yours very truly,

H.D. Buchanan.

The Secretary,

London.
