

Messrs. D. & W. Henderson's Engine No. 2F (568)

These Engines have been bought by Messrs. Kincaid & Co. for shipment to Messrs. Coughlan & Sons of Vancouver, for their vessel No. 11, building to the order of the Canadian Government, Marine Dept.

It is submitted that the Glasgow Surveyors should be informed that the special duties carried out in regard to the specification are covered by the fee of £50 agreed upon and that no fee is chargeable to Messrs. Hendersons. Further, that the £50 fee in question should be charged by them to the Canadian Government (Marine Dept), Ottawa.
