THIS IS TO CERTIFY that the undersigned have surveyed during construction the Engines No. 2 F. built by Messrs. D. & W. Henderson & Co. Ltd., and that the Engines have been constructed in accordance with the approved Plans, and that all materials and workmanship are good.

The whole of the work covered by the specification supplied by Messrs. J. G. Kincaid & Co. has been carried out and completed to the satisfaction of the undersigned with the following exceptions:-

1. The cylinders and casings have not been tested by hydraulic pressure.
2. The Contra Flo attachment for the condenser, which is being supplied by The Contraflo Co. has not been fitted into place.

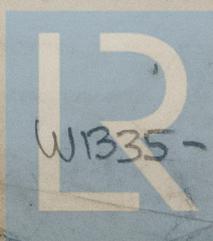

The makers state arrangements are being made for this work to be completed on arrival of the engines in Canada.
