ENCLOSURES

2nd November, 1938.

Dear Sirs,

S. With reference to your memorandum of the 12th and my letter of the 18th ultimo relative to the 3rd Special Survey No.2 of the steamer "TASSIA", I enclose herewith, for your information, a copy of a letter which has been received from the Owners' London Representatives requesting an extension of time in which to complete the inspection in question.

You will appreciate that as the year of grace allowed for this Special Survey expired in June last, the question of a further postponement is one solely for the Committee, but before placing the case before them at their next meeting (on the 4th instant) I shall be glad to learn how the case now stands, and would like to have from you an expression of opinion as to the vessel's present condition and her eligibility for such an extension.

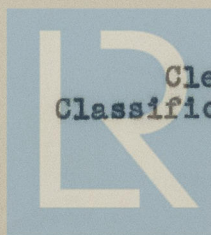

I have cabled to you today as per copy of translation enclosed, which is hereby confirmed.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
PIRAEUS.

Clerk to the  
Classification Committee.
