Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosure.

14th March, 1921.

Dear Sirs,

I have to send herewith a report of a survey made by Mr. J. Carnaghan, a Senior Surveyor on the Chief Engineer Surveyor's Staff, of the cylinders of the main engines of the S.S. "AVANT GARDE", built in 1920 by Messrs. Cochrane & Sons, the engines and boilers for which were supplied by Messrs. Amos & Smith, Ltd., and to request that you will furnish any remarks you are in a position to offer thereon.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HULL.
