27th July, 1910.

Sir,

S With reference to Glasgow report No.29131 on the steamer "DEN OF GLAMIS", it is concluded that the beams of the 2nd deck are 11" by $3\frac{1}{2}$ " as marked in pencil on the approved plan of midship section and not 11" by 3" as given on the report, but I shall be glad if the Surveyor will be good enough to state that this is so.

I am, Sir,

Your obedient servant,

Secretary

The Secretary,

GLASGOW.
