

M.S. "WELLFIELD".

Mld. dim:- 385.2' x 51.25 x 30.5

Proposal to increase the length of the ship 24'3".

It is submitted Messrs. Curchin & Watson be informed that if the ship is lengthened as proposed, with the trunk correspondingly increased in length, the Summer freeboard under the present Regulations will be increased by about $3\frac{1}{2}$ inches.

On the assumption that the full requirements of the Convention are carried out the Summer freeboard under these Regulations will be reduced about $10\frac{1}{2}$ inches with the present length of the ship, but with the length increased 24'3" the Summer freeboard will be reduced about 7 inches from the present assignment
