M.V. "Wellfield"

owners of this vessel, Messrs. Hunting & Son. Ltd., of
e on Tyne, have under consideration the question of increasing
th by 24ft. 3" by adding one tank. We shall esteem it a favour
ill be good enough to let us know what extra scantlings, if any,
required. We shall also be pleased to have particulars of the
t.
th regard to the question of freeboard, will you kindly let us
at this will be in the terms of the Load Line Convention 1930. for:-

-) The vessel as at present.
-) Assuming the length is increased by 24ft. 3".

suming that in both cases the full requirements of the Convention
plied with,

these questions are somewhat urgent, we shall esteem it a favour
will be good enough to give them your earliest possible attention.

Yours faithfully,

Clive Watson
