Owners: Messrs. Osaka Syosen Kaisya.

No Surveys are due in the cases of these vessels.  
 A letter has now come to hand from the Society's  
 Surveyors at Kobe, enclosing a copy of one received from the  
 Owners, intimating that they no longer desire to maintain  
 the classification of these vessels with this Society, as they are  
 solely engaged in local trading.  
 The Classing Committee had the cases before them on  
 Friday, 27th ultimo, when they decided to give instructions  
 for the character of each vessel to be withdrawn from the  
 Register Book and Three Dots (...) inserted in lieu thereof,  
 indicating withdrawal of class at Owners' request.
