The Second Special Survey No.2 became due on this vessel in October last.

A letter has now been received from the Society's Principal Surveyor for the Far East, enclosing a copy of one from the Owners, indicating that as this vessel is engaged in coastal service only, they have decided to withdraw her class from this Society's Register Book.

The Classing Committee had the case before them on Tuesday, the 28th ultimo, when they decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and Three Dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
