The Special Survey No.2 and Donkey Boiler Survey of this vessel became due in August and July last respectively.

The Society's Principal Survey for the Far East now forwards a translation of a letter received from the Owners stating that "in their certain circumstances" they have decided to transfer the classification of this vessel to the British Corporation.

In the circumstances the Classing Committee, who had the case before them on Friday, 6th instant, decided to give in recognition for the vessel's character to be withdrawn from the today when, in the circ(. . .) inserted in lieu thereof instructions for the vessel Owners' request, the Register Book and Three thereof, indicating withdrawal of class
