rs old).

A Special Survey No.1 became due in August last of this small river tug, which has been laid up at Cambay since April 1938. The Screwshaft and Boiler Surveys also became due in August 1937, and November last respectively.

In reply to enquiry the Bombay Surveyor has forwarded a letter from the Owners, intimating their decision no longer to maintain the vessel's classification.

The Classing Committee had the case before them on Friday, the 21st instant, when they decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and Three Dots (. . .) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

27th July 1939.
