Dear Sir, ANSD

I beg to acquaint you that the Steam Trawler "WILLIAM BELL", No. 15752 in the Register Book, is at present at this port undergoing reconditioning upon de-requisition from the Admiralty.

The Repairers have enquired of the Society's Surveyor whether at the same time the vessel should be submitted to survey for re-classification, which they think will be desired by the Owners.

In the circumstances, I shall be glad to receive your instructions in the matter.

I am, Dear Sir,
Yours faithfully,

The Secretary,
