London, 5th October, 1939.

E.C.3.

H.

To the Surveyors at Kobe.

Vessel's Name, s.s. "ROKKOSAN MARU".

QUESTION.

I shall be glad to learn
what arrangements the Owners propose
making to carry out the Boiler and
crewshaft Surveys which became due
at the end of June last.

RECEIVED

NOV 20 1939

ANSWER.

Date:— 21st December 1939.

The Owners have informed us,
by telephone, some time ago, that
the vessel was under Government
requisition, and they did not desire
to continue her Classification. They
have been requested, repeatedly, to
write, officially, to this effect, but
so far, they have failed to do so.

Boiler & crewshaft due 6/39
