31st January, 1939.

Dear Johnson,

We are writing you today officially regarding the "ANNELIESE ESSBERGER" although the results of our investigations are rather negative.

On broad grounds I am in general agreement with the views expressed to the Builders by the Germanischer Lloyd to whom you might express my thanks for their courtesy in furnishing us with a copy of their letter.

I will also be obliged if you will express to Mr. Holtz my appreciation of the very full report he made of the damage.

With kind regards,

Yours sincerely,

R.S. Johnson, Esq., B.Sc.,

HAMBURG.
