2459 Owners' Address at present owned by Dept. of Marine, until the F.E. Classification
(if not already recorded in Appendix to Register Book)

ed Afloat or in Dry Dock? Dock Name of Dock Lagan Destined Voyage Completing
Classification Survey

ell DBor DBa feet; uE&B feet; f feet; } Particulars of Classification (which must be inserted
apacity tons. FPT tons; APT tons; MT feet tons. } precisely as in Register Book & Supplements).

All alterations in the existing records should be underlined.

The Vessel has Water Ballast Tanks, state whether the manhole covers have been removed, and the insides
ks examined. Also state the amount of deterioration (if any) found in the thicknesses of the floors, framing,
nd of the inner bottom plating, especially in the boiler space.

Report, No. _____ Port _____

all Surveys, when held, must be reported in detail and seriatim in the terms of the Rules. State clearly the
Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs
nt of Damage (the cause of which must be stated) should be separated from Repairs due to other causes;
ides being detailed in the body of the report, should be summarised in the form shown below. Whenever the
nent of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on
of this form. State also the dates and initials of any letters respecting this case.

EE not yet before Committee

Society's Freeboard (if assigned) as }
painted on Ship and now verified } ft. ins.

in cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why
were declined? Copy Letter with. Was a damage report made by anyone else? If so, by whom? W. Workman & Co. Ltd.

S, OR EXAMINATION AS PER RULE, FOR Damage. (see Mtd. Abs. Rpt. 4th 1760 and 1777)

essel has now been placed in dry dock as recommended in my report

Dec. last, in view of her having grounded on Dec. 13th 1919

From examination made it would appear that the damage

nd and now repaired was sustained by the vessel hitting same.

task immediately after launching and not by the said grounding.

builders letter Letter with.

Permanent repairs now effected. On port side, shell plates C3 & B5

landing edge of B10 and B11 faired in place after releasing same and

acent plates in C stroke in way of B.10 & 11 faired in place. Broken cement

bottom renewed & number of bottom shell rivets caulked.

Bottom recoated by owners.
