May 4th 1920

Aspinall 4

45 Grande Allee Apartments

Quebec

Mr Sir,

Replying to your letter of May 1st, I may state
that the matter of the protest was handled from our Montreal
office and that we have no information here whatever
regarding same.

It would seem to me from all evidence that the
damage was caused by the ship hitting some obstacle
immediately after launching.

Yours truly,

signed D. MacKean

Manager.
