BERKS.

Dear Sirs,

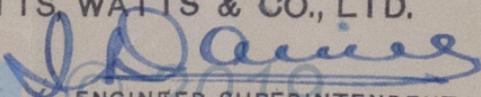

s.s. "WILLESDEN".

We thank you for yours of the 17th instant enclosing certificate in respect of boiler survey carried out on the above vessel in New York in October/November 1941.

We also note that you have no record of the vessel having come under inspection by the Society Surveyor since the survey at Glasgow in January last.

Yours faithfully,

For WATTS, WATTS & CO., LTD.

ENGINEER SUPERINTENDENT.
