29th March 1923.

Dear Sirs,

I am in receipt of Mr. Cowie's letter of the 28th instant respecting the steamer "MANUEL ARNUS" and with regard thereto I have to acquaint you that a communication dated 24th instant has now come to hand from the Society's Surveyor at Cadiz in which he states that "a few items such as watertight doors, hand pumps and one length of intermediate shafting still require attention, but as the vessel is due to sail on the 4th April next it is hoped to despatch the reports early next month".

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

Barrow.
