

COPY.

15th March 1923.

Dear Mr. Cowie,

With regard to your letter of the 6th instant respecting the certificates in connexion with the "MANUEL ARNUS", I am sorry we have not been able to reply yet, but the fact is the reports on the machinery have gone astray and have not yet been found. It might help me to ~~identify~~ find them if you will kindly let me know the number of the Barrow report on the boilers.

The report on the hull has not yet been received from Spain.

As regards the Boiler test certificates you send, would it satisfy Vickers if "Certified copies" were given them. It would get over the difficulty of Mr. Houston's signature. Also will you please let me know from your books who signed them in this Office, Mr. Redman or Mr. Mayne, and the dates on the top of the certificates.

With kind regards,

Yours faithfully,

Wm. Cowie Esq.,
Barrow.
