The 2nd Special Survey No.1 became due in October last.

as the Special Survey has been carried out by the Bureau Veritas

of this vessel with this Society.

In the circumstances the Classing Committee, who had
the case before them on Friday, 19th instant, decided to give
instructions for the vessel's character to be withdrawn from the
Register Book and Three Dots (. . .) inserted in lieu thereof,
indicating withdrawal of class at Owners request.
