Secretary.  
London.

I beg to submit for the consideration of  
Committee, a photo-print of main boilers  
named H. H., proposed to be built  
the Newport News Shipyards & Dry Dock Co for a vessel  
constructed by them for classification in  
Register. The ~~drawings~~ appear to conform  
the rule requirements for a working  
pressure of 180 lbs per square inch. An early  
reply is respectfully solicited. The photo-  
is enclosed.

I am, Sir

Your obedient servant,  
J. S. Hunter
