TRANSLATION.

The Surveyor,
LLOYD'S REGISTER OF SHIPPING,
8, Rue dela République,
MARSEILLES.

Dear Sir,

S.S."GUILVINEC".-

With reference to your letter of the 28th ultimo addressed to Messrs Worms, Marseilles, we have to inform you that the ~~above~~-named vessel was classed early in 1938, with the Bureau Veritas, when she was still owned by the Cie.France-Navigation, and therefore should have been withdrawn from your Society's Register Book.

It is regretted that the Cie.France-Navigation has not advised you in due course and we shall be glad, if on receipt of this letter, you would advise your Committee, to avoid us to write to London and inform your Administration of what they should have been advised twelve months ago.

We are, Dear Sir,

Yours faithfully.

Pr.Worms & C°.
