Secretary.

14th August, 1923.

Dear Sirs,

I am favoured with your letter of the 10th instant, with reference to the date of build of the Monmouth Shipbuilding Company's S.S.No.375, and in reply I am directed to state that, in the exceptional circumstances of this case, the Committee will be prepared favourably to consider the assignment of the date of build as the date of the trial trip, provided you now make an examination throughout, with a view to your reporting whether you are able to certify that no deterioration has taken place in regard to the hull, boilers, machinery, and equipment, including boats, of this vessel.

I am, Dear Sirs,

Yours faithfully,

Wm Ramsden of Messrs Harms Secretary.

The Surveyors,

NEWPORT, Mon.

*Advised that above exam includes
under water exam & dry dock*
