Last Report, No. 2383 Port Sink

Local surveys, when held, must be reported in detail and verbatim in the terms of the Rules and items remaining to be reported. State clearly the cause of repairs, if any, and, in detail, the nature and extent of examinations and subsequent repairs. Repairs on account of damage (the cause of which must be stated) should be separated from repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the replacement of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters received in this case.

In cases where the Surveyor has not made a special damage report he is required to state whether he has made this services for this purpose and to whom and why they were declined

Was a damage report made by anyone else? If so, by whom?
