The Second Special Survey No.2 became due in January last.

In reply to enquiry Mr. H. Jasper Cox, the Society's Principal Surveyor for the Far East, has forwarded a copy of a letter from the Owners, from which it appears that they do not wish to maintain the classification of the above vessel in the Register Book.

In the circumstances the Classing Committee, who had the case before them on Friday, the 19th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
