Received from Chief Ship Surveyor

VESSEL'S NAME Stl. S.S. "THISTLEMORE".

Rpt. Hpl. No 5417

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

It is submitted the Hartlepool Surveyors should be requested to forward the approved plan of the panting arrangements and of the fore peak bulkhead; and to state whether cargo battens are fitted in the shelter 'tween decks.
