# Lloyd's Register of Shipping.

Port..... Baltimore, Maryland.....

..... 21st February 1941.....

This is to Certify that

..... Wm. C. Cowin.....

the undersigned Surveyor to this Society did at the request of the Owners' Representative attend the Steel Single Screw Steamer

"WESTPOOL"

5724 tons gross of London, whilst lying at the plant of the Maryland Drydock Company, Fairfield, Baltimore, Maryland, on 18th February, 1941, for the purpose testing the davits and the gear of the four lifeboats.

Each davit and fall was subjected to a load of 6300 lbs., being 50% in excess of the load exerted by the boat, equipment and full complement of 37 persons, and found satisfactory.

The boats were lowered to the water and restowed in chocks, masts stepped, sails raised and found satisfactory. Boats and equipment examined and found to comply with the requirements of the U.S.A. Bureau of Navigation.

(Signed) Wm. C. Cowin  
Surveyor to Lloyd's Register of Shipping

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
