Dear Sir,

In reply to your letter of the 2nd May, I have to say that the two plans of the "Eurofeld" each measure approximately 2' x 4' and that a fee of £4.14. 6 will be charged to cover the cost of the reproduction of both documents.

As the Owners are unable to supply a photograph of the "KOHINUR" the remaining likely sources would appear to be:-

1. The Scottish press (e.g. the "GLASGOW HERALD" or a local port Glasgow newspaper) whose photographic files may possibly extend as far back as 1922.
2. The National Maritime Museum at Greenwich.
3. The Science Museum at South Kensington.

Yours faithfully,

Clerk to the
Classification Committee

W. H. Murray, Esq.,
Ballure,
The Glen,
RAMSEY,
Isle of Man.
