Dear Sir,

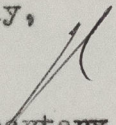

I have to thank you for your further letter dated April 27th respecting the German tanker "EUROFELD."

I will explain that your communication has not been overlooked but was referred to another department as it involved detailed search into certain of the Society's records. We are able to supply copies of the following:

Plan of Profile and Deck
Plan of Midship Section and
Plan of First Entry Report-for which a reproduction charge will be made.

With regard to your second enquiry in connection with the "KOHINUR" I regret that we have no photographs of this ship and would suggest that your best plan would be to contact the owners direct. The address of Asiatic Steam Nav. Co.Ltd., is One Aldgate, London, E.C.3.

Yours faithfully,

pro Secretary
